

Jennifer Snow

Jennifer is a Manager in the Employee Benefit Plans Audit Group in the Walnut Creek office of Hemming Morse, LLP. She has been a part of the Employee Benefits team since 2008. Her experience includes:

- Daily supervision of audit staff, ensuring they have the guidance and the resources needed to meet budgets and deadlines
- Communication with clients to obtain documentation and information about internal processes in place to determine audit plan is appropriate
- Team leader on two of the largest client groups, Laborers Trust Funds for Northern California and UFCW Trust Funds of Northern California
- Training for and preparation of the Form 5500. Staying up-to-date on changes in filing requirements and assisting in the preparation of helpful guides for staff to utilize
- Analysis of new accounting systems of clients and determining necessary updates to appropriately test the accuracy of information
- Assisting in various special projects including cost allocation in client groups, time studies, and fee comparisons
- Review of audit work to verify adequate documentation and audit steps are followed
