Selected Experience

- Evaluated the accounting, financial reporting, and disclosures included in financial statements of public companies.
- Assessed accounting and financial reporting for loans and real estate assets of a publicly traded bank.
- Performed detailed fact-finding, research, and analysis on economic and financial issues related to damages and financial remedies in a copyright infringement dispute pertaining to software.
- Evaluated financial reporting and the independent financial statement audits of publicly traded and privately held banks and financial institutions.
- Investigated financial and accounting transactions to identify and analyze cash receipts and disbursements related to criminal prosecution of investment frauds.
- Analyzed case materials to evaluate whether an individual was practicing as an accountant before the SEC.
